

We are happy to invite you to an online forum to share the current situation in Korea and Germany on the development, testing and utilization of AAS standards. Through this forum, we would like to provide you with the latest information on Korea and Germany and discuss future directions.

We provide an online registration service to deliver invitations and share materials for attendees. Please refer to the guide below to register:

1. Click the link below to open the registration site.

[> Register now!](#)

2. Fill in the blanks and click the 'Register now' button.
